

AIR | The Future of **AI** in Healthcare

Lessons from **RADIOLOGY**

7-8 May, 2026 | Budapest, Hungary

Sponsorship Prospectus

Welcome

Dear Colleagues and Friends,

We are pleased to invite you to a new and exciting conference:

AIR: The Future of AI in Healthcare: Lessons from Radiology

This pioneering educational opportunity, brought to you by renowned physicians, scientists, health professionals and leaders, will delve into the forefront of artificial intelligence (AI) applications in healthcare, learning from the advancements in radiology. As AI continues to revolutionize medical imaging and diagnostic processes, this conference promises to deliver invaluable insights on the successful implementation and scaling of these groundbreaking technologies along care pathways and across healthcare systems.

Join us in discovering how the invaluable lessons learned from radiology's journey with AI can be applied across various healthcare specialties, paving the way for the future of medicine. Engage with industry pioneers and equip yourself with practical insights to position your organization at the forefront of the healthcare AI revolution.

Your expertise and support would enhance the depth and reach of this event and significantly contribute to its success and global impact. We invite you to join us in shaping the future of AI in healthcare.

This conference is in collaboration with K2AI, our Gold Sponsors.

Prof. Jacob Sosna & Dr. Jacob Visser
